National Level Management Meet – UTKANSH-2K12

UTKANSH-2K12 is the 1st National level Management Meet organised by Department of Business Management on 4th April 2012. This program has been initiated to bring together student community and aims to capture the imagination of dynamic management graduates into workable business positions in the current market environment, and to create a venue where competitive spirit among the participants is enriched and facilitating the integration of academic curricula with industry practices.

Intra-Management Meet:

SANKALP-2012, an Intra-Management Meet organised by MBA II-year students on 8-12-2012. The objective of this meet is to provide a platform for the MBA students to demonstrate their knowledge, skills and ability to compete with the best, in which it promises to scale new heights.

In this Meet various events like Marketing, Finance, Human Resource, Business Quiz and Young Manager were conducted for MBA students.
